

VIJAY DEORE DESIGN STUDIO

FEE STRUCTURE

1. Preparing for the entrance exams of various design colleges (Private + Government)
2. Providing education of making portfolio
3. Inculcating master skill of sketching
4. Providing Education in various Designing software

1. PREPARING FOR THE ENTRANCE EXAMS OF VARIOUS DESIGN GOVERNMENT COLLEGES

- Preparing students for the NID, UCEED, NIFT, NATA and JEE Paper 2 (Either Design or Architecture or both)
- In this preparation we will take care of both the aspects like preparing for the GAT (General Ability Test), NAT (Numerical Answer Type), MSQ (Multiple Select Questions), GK (General Knowledge), MCQ (Multiple Choice Questions), English Language & Mathematics. and CAT (Creative Ability Test)
- So at a glance we prepare for the academics as well as we take care of Drawing & Sketching part
- We have well experienced faculty to teach academics as well as creative aspects. We have Mr. Kishor Patil - Expert in Mathematics, Ms. Simar Ahuwalia - Expert in English Language. Also we have Ferzin Khan who takes care of General Knowledge.

2. PROVIDING EDUCATION FOR HIGH QUALITY PORTFOLIO FOR THE NATIONAL AND INTERNATIONAL ART & DESIGN COLLEGES

DETAILS OF PORTFOLIO

Lino Print Making

2 assignments

Model is arranged in front of the students. Students observe the anatomy and details of face. They draw and paint on various surfaces with various colour media and learn the skills of portrait. Students get confidence as they master the field of fine Arts.

Typography

2 assignments

The concept of subject is expressed. Students develop the sense of composing forms as per the subject. Eventually they develop the creativity. They also learn about balancing the forms in picture. Learning various colour media, surfaces and textures. Students develop the power of imagination

Logo Making

2 assignments

Sculpting also helps the students develop their manipulative skills. They will learn how to associate three dimensional shapes and objects to make an art piece. They will also learn how to shape anything that is even more useful than its present form.

2. PROVIDING EDUCATION FOR HIGH QUALITY PORTFOLIO FOR THE NATIONAL AND INTERNATIONAL ART & DESIGN COLLEGES

3. INCULCATING MASTER SKILL OF SKETCHING

Sketching and drawing is a great way to improve your creative skills and start thinking in a different way. Some of the benefits that are said to come from this practice are improved creativity, focus, confidence. It also improves communication, as drawing is a visual language—developing the ability to translate what you see into an accurate two-dimensional depiction.

4. PROVIDING EDUCATION IN VARIOUS DESIGNING SOFTWARE

CorelDRAW

Photoshop

Illustrator

adding Photoshop to your list of skills can make you a more valuable employee. It allows you to work on a variety of additional projects and may provide opportunities for advancement or the ability to work on a more diverse set of projects. From website work to marketing projects and even product design, Photoshop can play a vital role in many positions.

VIJAY DEORE DESIGN STUDIO
