

Assignment for the Architecture Students (Summer Internship Programme)

Kindly visit the Godawari (do not refer the photo from internet). Find the suitable place where you can sit and observe any scene like old temple with steps also reflection in water. Select very simple structure of temple. Using only pencil on paper complete the whole scene. You can use the shading as well. I have shared few picks with you for the better understanding.

1. Total number of sketches of various places expected – 3
2. Try giving min 1 or max 2 hours for one scene
3. Take your photo while you are sitting on bank of river Godawari and observing and sketching the whole scene
4. Use only pencil on Paper. Shading can be done.
5. Once all 3 sketches are done bring to Vijay Design Studio at College Road where you attended Summer Internship programme.
6. Get appreciation to your 3 assignments
7. When you get those 3 assignments see to it accordingly respective photos you must attach to your assignments. So we get an idea it is live sketching and not the photos from internet

Above pictures will give you an idea about how and what you are expected to do
